## Registo de Refeições

A hand-drawn sketch of a mobile application interface for meal registration. The interface is contained within a rounded rectangle. At the top, the word "REFEIÇÕES" is written in a large, hand-drawn font. Below this, there are three input fields, each preceded by a wavy line indicating a label. The first input field is a simple rectangle with a checkmark icon on its right side. The second input field is a rectangle with a minus sign on its left side and a circular icon containing a fork and knife on its right side. The third input field is a larger rectangle with a small icon in its bottom right corner. At the bottom right of the interface is a rectangular button with a right-pointing arrow.
