Figura 1 - Entrar

The image shows a mobile application interface for creating an account. At the top, there is a stylized green broccoli character with a smiling face. Below the character are four teal-colored input fields with rounded corners. The first field is labeled 'E-mail', the second 'Password', and the third '2X Password'. At the bottom right of the input fields is a teal button labeled 'Entrar!'. The entire interface is set against a dark gray background.

Figura 6 - Plano de Refei o

The image shows a mobile application interface for calculating ideal weight. The title 'Peso Ideal' is at the top in a teal header. Below it, on a dark grey background, are three teal rounded rectangular input fields labeled 'Peso', 'Altura', and 'Idade'. In the center, a green circle displays the number '60'. At the bottom right, there is a teal rounded rectangular button labeled 'Confirmar'.
